3. When Register box opens, complete all fields and click "Register" button
 - Put membership number 0 if you are not APA member

The screenshot shows a 'REGISTER' modal form overlaid on the website. The form contains the following fields and elements:

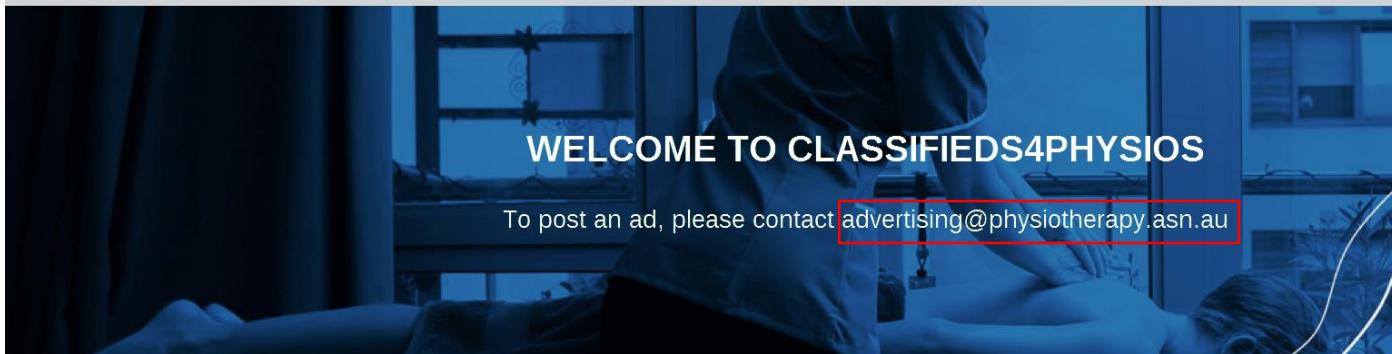

- Name:** Input field with placeholder text 'Name'.
- Email:** Input field with placeholder text 'Email@email.com'.
- New password:** Input field with placeholder text '*****'.
- Repeat password:** Input field with placeholder text '*****' and a label 'Type your password twice' below it.
- Membership number:** Input field with the value '0'.
- Captcha*:** Two input fields. The first contains 'E U 9' and the second contains 'EU9'.
- Register button:** A blue button with the text 'Register' highlighted by a red box.

The background of the website is dimmed, showing the 'WELCOME TO CLASSIFIEDS4PHYSIOS' banner and navigation elements like 'CATEGORIES' and 'LOCATIONS'.

4. You will then see this page. At this stage, you don't have any permission to post an ad and you need to click this link to send us a request to approve your account (to confirm membership details)
